IPAI 2026

The 2026 3rd International Conference on Image Processing and Artificial Intelligence

Track 01

www.ipai.org/

The 2026 3rd International Conference on Image Processing and Artificial Intelligence (IPAI 2026) will be held during June 10-12, 2026 at University of Toulouse in Toulouse, France. It'll be an annually-held conference, and it offers keynote speeches, invited speeches, oral presentation sessions, poster sessions, exhibitions and other forms of communication and information exchange.

Image, Speech, Signal and Video Processing

Track chair

Shahzad Ashraf

Gachon University Seongnam South Korea
Email: nfc.iet@hotmail.com

Topics

- Signal, image and video processing
- Image and video analysis and understanding
- Audio and acoustic processing and analysis
- Segmentation, features and descriptors
- Texture and color analysis
- Automatic speech and speaker recognition
- Multimedia analysis, indexing and retrieval
- Vision sensors
- Medical image and signal analysis
- Computer-aided detection and diagnosis
- Image guidance and robot guidance of interventions
- Face recognition
- Image compression, coding, and encryption
- Graph theory in image processing
- Natural language processing

Important Date

Full Paper Submission Deadline	Notification of Acceptance
March 10, 2026	April 5, 2026

Submission Method

Online Submission System: https://www.zmeeting.org/submission/ipai2026 (Choose Track 1)
Template: https://www.ipai.org/instruct8.5x11x2.doc(Word) / https://www.ipai.org/ieee-latex-conference-template.zip(Latex)
